# DE PARDIEU ADVISES SATLINK ON THE ACQUISITION OF NKE GROUP

**De Pardieu has advised Satlink, a Spanish company specializing in ocean technology solutions, on the acquisition of nke GROUP, a company that designs, manufactures and markets instruments intended for water quality measurement and monitoring in oceans and fresh waters as well as navigation instruments.**

Thanks to this acquisition, Satlink will accelerate the development of its data collection and analysis solutions serving a deeper understanding and management of the oceans and their resources ensuring their long-term sustainability. nke strengthens these capabilities with its recognized technological expertise in water-quality monitoring.

Further to this transaction, Satlink now provides services to more than 10,000 organizations – including governments, research institutions, industry partners and NGOs – in over 130 countries. The group relies on a global network of local partners and 13 offices located across Europe, the Americas and Asia.

De Pardieu's team comprised Cédric Chanas (partner) and Mathieu Rétiveau (partner) on the corporate aspects.
