DE PARDIEU ADVISES DENTRESSANGLE ON ITS ACQUISITION OF A MAJORITY STAKE IN TEKLYNX

De Pardieu advises DENTRESSANGLE, a family-owned investment holding company, on its acquisition of a majority stake in the Teklynx group, a provider of Label Management System software solutions.

Founded in 1986 and headquartered in Auch, the Teklynx group develops digital labelling and traceability solutions that enable companies to maintain the continuity of their industrial and logistics operations and to ensure the compliance and traceability of their products. The group serves 7,500 active customers and several hundred partners worldwide, representing nearly 100,000 licenses, and generates approximately €30 million in revenue, more than half of which comes from the Americas.

This transaction will enable Teklynx to continue and accelerate its growth, notably by expanding its offering, deploying cloud-based solutions, driving product innovation, expanding geographically and pursuing targeted acquisitions. Upon completion of the transaction, Thierry Mauger, founder of Teklynx, will retain an equity stake alongside the management team, which will also invest in the company.

De Pardieu's team comprised **Cédric Chanas** (partner), **Alix Amaury** (counsel), **Albéric Duhamel-Delattre** (associate) and **Chloé Duval** (associate) on the corporate aspects; **Priscilla Van Den Perre** (partner) and **Mickael Ammar** (associate) on the tax aspects; **Christophe Gaillard** (partner) and **Pauline Larché-Dmitrieff** (counsel) on the financing aspects.
